FROM : 
MARIA JOYCE M. OBISPO
Department Manager III

SUBJECT : **2nd ADVISORY ON THE IMPLEMENTATION OF THE UPLIFT PROGRAM – GROUP 3**

In connection with the Advisory dated 30 July 2026 on the implementation of the UPLIFT Program for Group 3, a total of **978,290 qualified beneficiaries** were endorsed for the July 2026 financial assistance. Based on LANDBANK's report on the results of the crediting, **132,496 beneficiaries** had unsuccessful transactions based on feedback received from their respective banks.

Qualified beneficiaries whose July 2026 UPLIFT financial assistance was not successfully credited shall be sent a **My.SSS Inbox Notification** advising them to update or enroll an active disbursement account through the Disbursement Account Enrollment Module (DAEM) **on or before 11 August 2026** to facilitate the re-crediting of their financial assistance.

The 11 August 2026 deadline was established in coordination with the Department of Social Welfare and Development (DSWD), taking into consideration its funding schedule and implementation targets for the UPLIFT Program.

Accordingly, all Branches and Processing Centers are requested to prioritize and expedite the evaluation and approval of DAEM applications submitted by affected beneficiaries. To ensure their inclusion in the July 2026 re-crediting, all eligible DAEM applications received on or before 11 August 2026 should be reviewed and approved **not later than 12 August 2026**, in preparation for the generation of the payee file for the re-crediting of the assistance.

Please disseminate this information to the concerned employees of the Branch Operations Sector (BOS), Central Processing Group (CPG), and International Operations Group (IOG).

Also, this advisory is requested to be posted by the Branch Systems and Procedures Department (BSPD) under the Branch Operations Section of the SSS Intranet.

Thank you for your continued cooperation.
