Social Security System

CITIZEN'S CHARTER

2026 1st Edition

I. Mandate:

It is the policy of the State to establish, develop, promote and perfect a sound and viable tax-exempt social security system suitable to the needs of the people throughout the Philippines which shall promote social justice through savings, and ensure meaningful social security protection to members and their beneficiaries against the hazards of disability, sickness, maternity, old age, death, and other contingencies resulting in loss of income or financial burden. Towards this end, the State shall endeavor to extend social security protection to Filipino workers, local or overseas, and their beneficiaries.

In the pursuit of this policy, a social security program shall be developed emphasizing the value of "work, save, invest and prosper". The maximum profitability of investible funds and resources of the program shall be ensured through a culture of excellence in management grounded upon sound and efficient policies employing internationally recognized best practices."(Section 2, RA11199).

II. Vision:

A viable social security institution providing universal and equitable social protection through world-class service.

III. Mission:

To manage a sound and viable social security system which shall promote social justice and provide meaningful protection to members and their families against the hazards of disability, sickness, maternity, old age, death and other contingencies resulting in loss of income or financial burden.

IV. Service Pledge:

SSS is committed to provide prompt, convenient, reliable, and meaningful social security protection services to its current and future members and their beneficiaries.

As such, the SSS shall continually improve its systems and processes to enhance its performance and ensure customer satisfaction in conformity with customer, internal and applicable statutory and regulatory requirements in relation to the context of the organization.

1. MySSS Card Application Through My.SSS Portal at SSS Website

The MySSS Card serves as an official SSS identification and a fully functional debit card, linked to a partner bank or Participating Financial Institution (PFI) account, for the secure and convenient disbursement of SSS benefits, loans, pensions, and other proceeds. Members may obtain the MySSS Card from an SSS partner bank/PFI after completing identity verification using the National ID Authentication System and opening an account with the said SSS partner bank/PFI.

Office or Division:	Identity Management Department			
Classification:	Highly Technical			
Type of Transaction:	G2C (Government to Citizen)			
Who may avail:	Members, pensioners, beneficiaries, claimants and representative payees can apply if they meet these requirements: • Must have an SS number tagged as permanent in SSS records • Must have a registered account in the My.SSS Member Portal of the SSS Website • Must have an updated local home and/or mailing address, local mobile number and email address duly recorded in the SSS database. Applicants residing abroad without a local address in their SSS record may qualify for a MySSS Card, provided that their selected PFI offers the service. Before applying, please ensure that your name and date of birth match on both your SSS and National ID records. In case of discrepancies, please update the information with the corresponding agency whose records require correction. Please also note that if you have an existing SSS UMID Pay Card with UnionBank and later decide to switch to the MySSS Card, you will need to request account closure at any UnionBank branch before you can apply for MySSS Card. An existing MySSS Card cardholder who intends to switch to a different SSS partner bank/PFI shall terminate their existing MySSS Card account before applying for MySSS Card with the new SSS partner bank/PFI.
