FREQUENTLY ASKED QUESTIONS

1. What is the Consolidation of Past Due Short-Term Member Loans with Condonation of Penalty?

Answer

The Consolidation of Past Due Short-Term Member Loans with Condonation of Penalty (Conso Loan) is a program that will help our members in updating and paying their past due SSS loans without the penalty through affordable and flexible payment schemes that they can choose from. This will also help safeguard their future benefits by stopping the accumulation of the penalties of the loans.

2. What are the loans covered by the Conso Loan Program?

Answer

1. Salary Loan including Salary Loan Early Renewal Program (SLERP)
2. Calamity Loan
3. Emergency Loan
4. Restructured Loans

3. Why are the other loans such as Educational Assistance Loan Program (EALP), Stock Investment Loan Program (SILP) and Privatization Loan Program (PFLP) not included in the Conso Loan?

Answer

The EALP has terms and conditions that are distinct from the other Short-Term Member Loans such as zero interest for the National Government (NG) shares, consolidation of EALP releases, and longer payment term, among others. EALP penalty condonation, once implemented, will be handled differently in our system.

The SILP & PFLP, on the other hand, are not included in the Conso Loan because SSS has an ongoing Option to Sell Program for these two loan programs.

4. What shall consist the Conso Loan that the member will pay?

Under the Conso Loan, the outstanding principal and interests of the member's past due* loans shall be combined into one **CONSOLIDATED LOAN** to be paid either in full or installment term. The unpaid penalties shall likewise be consolidated separately and shall be subject to conditional condonation.

Answer

**Past due shall mean that the loan has an unpaid obligation consisting of principal, interest, and penalties equivalent to more than three (3) monthly amortizations, or the loan has remaining unpaid balance after its maturity.*

Computation of past due:

$$\frac{\text{Past due principal} + \text{past due interest} + \text{penalties}}{\text{Monthly Amortization}}$$

If the result is more than 3, eligible to Conso Loan

5. The member has one (1) past due loan only. Will it still be eligible to the Conso Loan? What will be consolidated in this case?

Answer

Yes, provided that the past due loan is a Salary, Calamity, Emergency, or Restructured Loan (LRP/PRRP5). The outstanding principal and interest shall be consolidated and will become the Conso Loan. The penalties shall be set aside for condonation.

6. Will the member receive any loan proceeds/money from the Conso Loan?

Answer

A member will not receive any loan proceeds from the Conso Loan since this is a remediation program intended to assist members to pay their past due obligations.

7. When is the start of the Conso Loan Program?

Answer

The program shall commence on September 30, 2022 and will be a regular program of the SSS.

8. Who are qualified to avail the Conso Loan?

SSS member-borrowers who:

Answer

- Have loan account/s that is/are past due as of the time of the application i.e. as of system date;
- Have not been granted any final benefit, i.e. total permanent disability or retirement;
- Have not been disqualified due to fraud committed against the SSS;
- Have active My.SSS account

9. What are the requirements for the application to Conso Loan?

Answer

- An active My.SSS account for the online filing of the Conso Loan application
- Updated contact information i.e. mailing/home address, mobile number and email address in the SSS database reflected in the member's My.SSS portal

10. What are the payment terms to choose from?

Member can choose from One Time Payment or Installment Term.

Answer

- **One-Time Payment** – Full payment of the Conso Loan within thirty (30) calendar days from receipt of the notice of approval of the Conso Loan Program Application.
 - Conso Loan amount of up to Five thousand Pesos (PHP5,000) shall be qualified for a One-Time Payment only

10. What are the payment terms to choose from? (Cont.)

■ Installment Term –

- Downpayment (DP) of at least 10% of the Conso Loan amount within thirty (30) calendar days from receipt of the notice of approval of the Consolidated Loan Program Application. However, a higher percentage of the Consolidated Loan may be elected as downpayment.
- The remaining balance shall be payable in equal monthly amortization based on the applicable loan range.

Answer

11. Can a member-borrower pay in partial or staggered amounts the one-time payment or downpayment provided that he/she will settle the full amount within 30 days?

Answer

We discourage partial or staggered payments of the OTP or DP. The member must use the provided PRN for the Conso Loan payment. Note that PRN amount for OTP or DP cannot be edited. However, our system will allow posting of staggered payments in cases of adjustments such as unpostables, OPACL, etc.

12. Can a member choose a shorter or longer installment term for his/her installment Conso Loan?

Answer

A shorter payment term may be chosen for the installment. Likewise, the member may pay earlier than the Maximum Term by choosing a shorter payment term specified by the system or may choose to pay in full at any given time during the installment period. However, a member will not be allowed to choose a longer payment term since the consolidated principal and interest is based on the maximum payment term specified by the system.

13. Can a member-borrower who is already 65 years old be allowed to avail of the Conso Loan?

Answer

Yes. A 65-year-old member may avail of the Conso Loan. and will also be allowed to choose from a One-Time Payment or Installment Term provided that member has not yet applied for a final benefit (i.e. Retirement, Permanent Total Disability).

14. Can a member file for a retirement or permanent total disability benefit even though installment term is still being paid ?

Answer

Yes. The remaining balance shall be deducted from Retirement or Permanent Total Disability Benefit of the member.

15. A member has a defaulted Conso Loan account, will this be deducted from the Short-Term Benefit (Sickness, Maternity or Partial Disability)?

Answer

As stated in the Terms & Conditions of the Conso Loan, the outstanding loan balance of the defaulted Conso Loan composed of unpaid principal and interest shall be deducted from the short-term benefits.

As an option, the member may re-apply to the Conso Loan and pay the corresponding Conso Loan amount either in full or installment prior to filing of short-term SSS benefits. This way, the updated Conso Loan will not be deducted from the short-term benefits.

16. How can a member pay or settle the Conso Loan?

Answer

Once the application is approved, a Payment Reference Number (PRN) under the Real Time Processing of Loan (RTPL) shall be automatically issued by the system. This PRN must be used to pay the approved Conso Loan amount.

17. Where can a member pay the approved Conso Loan under the One-time Payment or Installment Term?

Using the issued PRN, payment can be made thru the following:

- SSS Branches with Teller Section
- SSS Collecting Partners (Bank or Non-Bank)

Remember:

- ✓ *Amount to be paid for the one-time payment or downpayment must be equal to the issued PRN amount.*

Answer

No. Member must have an approved Conso Loan application first and use the corresponding PRN for payment to have their penalties waived under the said program.

19. A member erroneously paid the Conso Loan amount prior to successful submission of the Conso Loan application. Can the payment still be considered under Conso Loan?

Answer

21. A member who is paying the Conso Loan One-Time Payment or Downpayment has no PRN. Can the branch MSR generate the PRN for him/her? What shall the branch do to assist the member?

No, the Branch MSR or Teller cannot generate PRN for the Conso Loan OTP or DP since it is pre-generated and non-editable.

The branch may check thru WINS for the active Conso Loan PRN. If there is no active Conso Loan PRN, check if there is an approved Conso Loan account. The following actions may be further taken:

Answer

- No approved Conso Loan account – direct member to the E-Center for assistance on the filing of Conso Loan application.
- With approved Conso Loan account but no active Conso Loan PRN

NOTE: This is an indicator that the PRN for DP has been used/paid. Proceed with the generation of PRN for Conso Loan installment which shall then be called by the PRN Generator Module.

22. Conso Loan payment is due today but failed to present PRN and there is no available PRN in member's My.SSS account. How can we help the member ?
